

Dear Students

All BBA colleges in the State have received Guidelines from the Directorate of Higher Education (DHE) that the admission process to the BBA programme will be centralized through the DHE common admissions portal. Kindly note the changes in the admissions process to the BBA programme for the academic year 2023-24.

Students will be required to fill the application form on the IAIMS portal of DHE. (Link will be provided soon)

Students are required to fill the application form for admissions to our institution on the DHE portal after they have filled the college application form.

Students are required to read the college prospectus on the college website <https://dempocollege.edu.in/> and get an application number from the BBA office of the college. (Will be provided soon)

The same may be stated on the DHE portal while completing the application process.

The DHE will provide certain number of days to complete online application form completion.

The Entrance test scheduled for 9th May stands postponed. Srinivassa Sinai Dempo college will conduct the entrance test and interview once the DHE admissions portal closes.

All dates will be announced on our website in the next week.

Students are required to check the website for all details.

You may contact Dr. Sonya K Angle on 9511725934 for any clarifications on above process.
