**Department of Commerce- Faculty Meeting
Minutes of the Meeting**

Date: 05-06-2020

The meeting was held in Room Number F-06 of the college campus at 9:00 am.

**AGENDA: 1. Subject allocation for ODD Semesters (I, III, V)
2. Development of e-content**

1. Subject allocation for ODD Semesters (I, III, V)

The HoD Mr. Anand Naik Panvelkar welcomed the faculty members & subjects were allocated to the permanent faculty members in the order of seniority. The HoD also mentioned that he would require some time to inform the contract basis staff about their respective subjects as the allocation would depend on the TY workload.

2. Development of e- content

- The HoD encouraged the faculty members to give suggestions for platforms to be used for designing e-content. As notified by the DHE and Goa University circular, teachers have to create e-content covering at least 50 % of the syllabus of each subject allotted to them in view of the uncertainties associated with the pandemic.
- Mr. Amit Naik and Dr. Vinod Joshua suggested OBS (Open Broadcasting Software) for creating e-content for theory and more efficiently for practical subjects. Mr Amit highlighted the features of OBS like Screen sharing, voice over, editing, compressing of file without hampering its quality, easy sharing through You Tube, Google drive and other mediums.
- Many faculty members suggested the use of Microsoft PowerPoint with voice over because of its ease of use.
- Network issues which would be eventually put forth by the students could be tackled by uploading videos on You Tube for perpetual reference by them. Also, content developed by the faculty members could be stored in pen drives subject wise, for offline circulation among the students. Also, one Unit can be uploaded after dividing it and clubbing fewer sub topics for easy uploading and faster streaming speed.
- Faculty members sharing the subject across different divisions were advised to follow the order of the units as per the syllabus to maintain commonality.
- Upon request of the HoD and other faculty members a session on "How to use OBS for effective e-content development" was scheduled to be conducted by Dr. Vinod Joshua on 6th June 2020 at 9:30 am in the College's Commerce lab.

3. A.O.B

The Vice Principal suggested that all the faculty members should finish with the conducting ISA 2 through online mediums. Formerly ISA2 was a written test by nature, but now due to the prevailing pandemic it could be replaced by assignments or any other equivalent mode.

The meeting ended at 9:50 am with vote of thanks by the HoD.
